The technical committee
Chaapa league

Request to postpone the fixtures involving Sikukulu, Burdizo and Akajju Football clubs.

Reference is made to the above wherein we address you as hereunder.

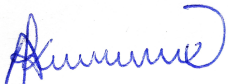

As you may be aware, earlier today death occurred to Mr Bamwebaze Moses who happens to be a parent to three bulls from three different camps participating in Chaapa league namely; Nuwasiima Harold (Sikukulu/Burdizo), Nowembabazi Honest (Akajju fc) and Nuwasasira Horace (Yoboyobo).

As it stands the burial will take place on Saturday 16th May 2026, and members from the abovementioned teams would love to stand with their teammates as they send off the dear father. Unfortunately, this may have a great bearing on the fixtures scheduled the next day for the teams named above.

Against this background, it is our humble plea that our fixtures for match day 7 be postponed to the following match day.

Also, as food for thought and going forward, we would love to implore the League management and the entire Chaapa league fraternity to embrace the spirit of standing with each other with flexibility, dignity and honor in such difficult times in the interest of brotherhood. Afterall, we all agree that this is a social league, whose core values are vibes and fitness.

Looking forward to a positive consideration. Mugume n'amaani.
